		in toys and games within		life of a significant		holidays have changed over	

		living memory and beyond. We will compare toys that we play with today to those that may have been played by our grandparents. We will understand what older toys were used for and be able to place artefacts in order of age.		individual from the past - Florence Nightingale. We will learn about the impact she has had and how hospitals are different now. We will also explore another significant nurse - Mary Seacole and compare her to Florence.		time and the role that the Wright brothers had in causing this change. We will look in further detail at aeroplane flights and the Wright brother's relationship with it.
Art / D and T	Seasonal Visual Diary Skills: Co-ordination, mark making, investigating media, observation, drawing, painting, colour mixing. Knowledge: Van Gogh, colour theory, colour wheel.	Parks We will look at play equipment in a park and work out what makes it strong, stable, attractive, work and original. Using these success criteria, we will design, make and evaluate a piece of park equipment of our own from recycled materials.	Sculpture Skills: Imagination, observation, drawing, wire modelling, collage, oil pastel. Knowledge: Alexander Calder. What is sculpture?	Yoghurts: Healthy Eating During this unit we will develop our own recipe for a healthy yoghurt. We will learn to cut safely and measure ingredients accurately. We will develop knowledge of which foods are healthy and nutritious.	Under the Sea Skills: Observation, drawing, imagination, oil pastel resist, collage, clay modelling, printing, colour mixing. Knowledge: Lucy Cousins - Illustrator, making shades of the same colour	Moving Pictures - The Sea During this unit we will look at how to make a picture move. We will learn about pivots, levers sliders and slider holders and then use our knowledge to create a moving picture of our own. We make sure our outcome is attractive, works, is strong and original.
PE	Multi-Skills (Agility). This is an introduction to the Carefully planned lessons will opportunity to acquire and de and co-ordination.	provide children with the	Dance Children will learn how to perform dance moves using simple movement patterns and them link them to music.	Gymnastics Children develop different movement patterns and incorporate them into short sequences on their own and with a partner.	Introduction to Cricket Children learn basic throwing, catching and striking techniques linked to cricket.	Traditional Summer Athletics Children revisit ABC's and practice different skills related to athletics in order to prepare for sports day.
RE	Theme Creation Story Concept: God/Creation Key Question: Does God want Christians to look after the world? Religion: Christianity	Theme: Christmas Concept: Incarnation Key Question: What gifts might Christians in my town have given Jesus if he had been born here rather than Bethlehem? Religion: Christianity	Theme: Jesus as a friend Concept: Incarnation Key Question: Was it always easy for Jesus to show friendship? Religion: Christianity	Theme: Easter - Palm. Sunday Concept: Salvation Key Question: Why was Jesus welcomed like a king or celebrity by the crowds on Palm Sunday? Religion: Christianity	Theme: Shabbat Key Question: Is Shabbat important to Jewish children? Religion: Judaism	Theme: Rosh Hashanah and Yorn Kippur Key Question: Are Rosh Hashanah and Yom Kippur important to Jewish children? Religion: Judaism
Musíc	Hey You!	What a performance!	in the Groove!	Round and Round	use your imagination!	Reflect, Rewind and Replay

	Hey You! is written in an Old-School Hip Hop style for us to learn about the differences between pulse, rhythm and pitch and to learn how to rap and enjoy it in its original form. As well as learning to sing, play, improvise and compose with this song, we will listen and appraise other Old-School Hip Hop tunes. We will write our own rap linked to our other learning.	We will be applying our understanding to a range of different songs that we will sing with confidence and expression in our Christmas performance.	In The Groove is a song that was specially written to teach us about different styles of music. It has been arranged in six different styles; Blues, Baroque, Latin, Bhangra, Folk and Funk. Each week we will listen and learn a different style of In The Groove. In our Listen and Appraise learning, we will also listen to a well-known song in that week's style.	All the learning is focused around one song: Round And Round, a Bossa Nova Latin style. Games, the dimensions of music (pulse, rhythm, pitch etc), singing and playing instruments are all linked.	We will use our imaginations to create our own song lyrics. The styles of music we will take inspiration from will be: film music, pop music and musicals.	We will think about the history of music in context, listen to some Western Classical music and place the music from the Y1 units we have worked through, in their correct time and space. We will continue to build our musical language.
PSHE	Being me in my world Feeling special and safe Being part of a class Rights and responsibilities Rewards and feeling proud Consequences Owning my Learning	Celebrating difference Similarities and differences Understanding bullying and knowing how to deal with it Making new friends Celebrating the differences in everyone	Dreams and Goals Setting goals Identifying successes and achievements Learning styles Working well and celebrating achievement with a partner Tackling new challenges Identifying and overcoming obstacles Feelings of success	Healthy Me Keeping myself healthy and Healthier lifestyle choices Keeping clean Medicine safety/safety with household items Road safety Knowing what money is and choices we have over spending Linking health and happiness	Relationships Belonging to a family Making friends/being a good friend Physical contact preferences People who help us Qualities as a friend and person Self-acknowledgement Being a good friend to myself Celebrating special relationships	Changing Me Life cycles - animal and human Changes in me Changes since being a baby Differences between female and male bodies (correct terminology) Linking growing and learning Coping with change Transition
ICT	Safe Online (E-Safe) Pupils will start by learning what is meant by the term 'online'. The pupils will then learn that we can leave a digital footprint when using the internet. Pupils will learn about ways for staying safe when using the internet through the use of	Word Skills (Creative) Pupils learn some of the basic features of a word processing program (MS Word). The pupils will be able to insert text and images and change fonts. As a result of the unit the pupils will produce an outcome that applies their	What is Cyberbullying? (E-Safety) Pupils will learn how some people can use the internet to bully others through the use of Smartie the Penguin animation. Pupils will think about how this would make them feel and understand where they can go for help	Collecting information (Creative) Pupils will learn to collect information and using a graphing program present the information as a pictogram. This learning will have links to the pupils mathematical learning on pictograms and a cross-	Directions - Which way to Pupils are introduced to the way meaning as programmable inst Pupils will look at how to give beebot using positional languate backwards, left and right.
